CACI Anti-Ageing Hand Treatment

The CACI Rejuvenating Hand Mask is an intensive skin conditioning glove that is applied to the hands to hydrate and nourish the skin. CACI's new Electro Gloves (made from a specially conductive material) are then fitted over the Rejuvenating Hand Mask and when activated with our CACI System deliver tiny electrical impulses that help to improve skin firmness and boost circulation. This treatment will leave your hands feeling silky smooth and looking visibly softer and more youthful.
